Key Skills

Social Media Skills:

I have grown up with the use of social media, so I am very skilled in formatting and ensuring eye catching designs specifically for social media and multi-platform adaptation

Graphic Design Skills:

I have very extensive knowledge of graphic design. I understand UI/UX design as well as the design/gestalt principles and elements

Adobe Creative Suite:

I have used majority of adobe's programs from Photoshop to InDesign

Trend Spotting Skills:

Having grown up in the era of technology I have quite the eye for new trends and am often online so that I am always up to date with the new pop culture references
